

Family Giving Program

To accelerate generational change, Friends of the Children identifies youth facing the toughest challengers and connects them with professional mentors who guide them to develop their greatest potential and achieve their goals. From kindergarten through graduation, no matter what.

Each year, we invite members of our community to support our families by providing basic necessities and holiday gifts to our families. This year, as well as asking for gifts of necessity, such as toys, clothes, food, and other household items, we are asking donors to create Family Baskets within a family's chosen basket theme to foster family moments.

We hope you will join us in brightening a family's life!

Key Dates and Information
